**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the past, Comcast was the only cable Internet provider in my area, and we didn't have a choice looking for another company even the price for the service kept increasing year after year.

When I found out about the Sonic, the Internet provider with 4 times faster service with a half of the price, I immediately jumped to switch the company.

Comcast was a monopoly company with cable service, and it should never been this way in this country.

I hope FCC will let these small companies to provide better service for us and don't let the giant companies like Comcast and AT&T control and monopolize the Internet market.
